### **Vision for the year in Sports:**

To continue to increase participation in a range of different sports. To try to engage the majority of children in a sport that they enjoy by increasing the sporting activities on offer (Run Club, Cricket, Basketball, Ignite Sport's Coaching, Swimming, Dancing Competitions and Clubs, Table Tennis, etc.)

### **Continue to:**

Inspire children with a variety of speakers from a range of sports like last year. For example: Rowing, Basketball, Badminton, etc. Develop the sport's coordinator role to organise and coordinate sporting competitions outside of school and within. Use this role to help coordinate parent 'coaches' to ensure all children have practice sessions before competitions and fully understand the rules of the games. Further develop the roles of Sport's Leaders and Team Leaders to engage pupils across the school in friendly house matches and additional sporting activities.
