

# Year 5 Grid Homework - Spring 1

## Choose your homework from the list below:

The Peri-ometer suggests the difficulty or challenge the homework may offer.

- You should hand work one piece of work in every week (by Friday)
- Every term you should attempt **at least one 'EXTRA HOT'** task; you can have up to 2 weeks for this
- You may choose the same task twice as long as it is on a different topic
- The homework is a guideline - if you have an idea that doesn't quite fit with the grid feel free to adapt it! The most important thing to remember is that the **extra hot should always have a quality piece of writing with it.**

<p>Write a story or poem (at least one side of A4) that has a river theme.</p>	<p>Create a water themed piece of artwork. Write an explanation focusing on what inspired your artwork. In this, explain your medium of choice.</p>	<p>Create a model of a river. Write a set of instructions or an explanation to go with your model.</p>
<p>Create a two minute presentation about a river of your choice (that we have not studied in detail in class).</p>	<p>Find five materials in your house that have irreversible changes. You may even want to test them out (warning: you may need adult supervision!).</p>	<p>Research an artist who uses recycled materials to create their artwork. Bring in some examples (photos) of their work. These can be emailed to the school office if you do not have access to a printer.</p>
<p>Create a mind map showing the five different types of nouns: common nouns, proper nouns, pronouns, collective nouns and abstract nouns. Make sure you give an example for each.</p>	<p>Draw and label a river labelling the following key properties: 1. Source 2. Meander 3. Tributary 4. Oxbow lake 5. Delta 6. Mouth</p>	<p>Create a poster portraying a collective noun. Remember a poster must be clear and eye-catching.</p>
<p>Research what an abstract noun is. Bring some examples to share with the class.</p>	<p>Research five collective nouns that we have not discussed in class. E.g. a pride of lions</p>	<p>Create a multiple choice quiz about one of our topics. It must have a minimum of five questions.</p>
