

Topic Plan Year 5 – Summer Term 1

“The good thing about life is that we can
Fix our mistakes. We learn from them.
We get better.” ~R.J. Palacio-Wonder~

Maths

Daily focus on mental calculations
Division and Multiplication
Variation of problem solving

English

Looking at a range of text types to focus on key comprehension questions. Using our technical skills in grammar and punctuation to write for different audiences, from different perspectives and for a variety of purposes.

PSHCE

#BeKind

Carefully linked to Wonder and issues of bullying, understanding differences and having courage to be a leader. Looking at ‘precepts’.

WONDER

Art

Artist Study – Anne Pratt
Wildlife drawings – noticing detail.
Self-Portraits – Looking at Character

Science

Life, living things and the world around us.
Reproduction in plants.

ICT

Composing music based on the local area/environment around us and linked to Wonder.
Hour of Code

Our Local Area

Investigating the area around us – local history, geography. Learning based on children’s questions and investigations.
Compare with Manhattan and descriptions in Wonder.
