

Class 3 Take Away Homework!

Spring 2017

Choose your homework from the menu below:

The Peri-ometer suggests the difficulty or challenge the homework may offer.

- You should hand in one piece of work every week (on Monday)
- Every term you should attempt at least one 'EXTRA HOT' task, you can have 2 weeks for this!

<p>Create a story map for a traditional tale. Make sure you include at least 5 steps and a sentence about each step. Please also include drawings.</p>	<p>Create and design a presentation to inform the class about a country in South America. You will need to make sure you include the flag, geographical features and some key facts.</p>	<p>Design and build a 3D model of Brazil including physical land features such as hills, rainforests, beaches and homes.</p>
<p>Write a poem, rap or song about magnets and how they work. You might want to talk about attracting and repelling.</p>	<p>Draw a map of South America. Be sure to include all the countries and some key geographical features.</p>	<p>Create a rap, poem or song about a traditional tale from a different character's viewpoint.</p>
<p>People have different religions in their family. Can you draw a small family tree and include their religious beliefs?</p>	<p>Write about something nice you have done for somebody else this week. Then write about something nice somebody has done for you.</p>	<p>Create a mini-fact file about magnets and how they work. You might want to include some cool facts.</p>
<p>Lots of different animals live in the rainforest in South America. Can you draw and name some of these animals? Do you know any other facts about these animals?</p>	<p>Design a poster that will help you to remember some of the times tables that you are not sure about.</p>	<p>Create a 10-question quiz about geographical features in Brazil. Don't forget to include the answers!</p>
