Week 1

Term 4

February 22nd 2018

Phenomenal Readers....

Thank you to those children who read a book and completed a book report for our library. We would love to continue the theme of #PhenomenalReaders and to promote World Book Day next Thursday March 1st, we would like to encourage you to continue sending in photos of your children reading. The best picture for both KS1 and KS2 will receive a book token to spend at Wallingford Bookshop. Also, as it stated in the e-mail sent to you on Monday, for World Book Day on Thursday March 1st, we are asking for two things; first, for children to represent a book in a creative way, by dressing up,

decorating a hat, or simply by creating a wearable poster. Will we be able to guess what book you are depicting? Also, we are asking if both parents and children, if you are able, to please donate a copy of one of your favourite books (a pre-read, used copy, not new!) which we will then be passing on in a new Random Act of Kindness project. We would be very appreciative of all book donations by next Wednesday February 28th. A £1 World Book Day voucher is being given to each child so look out for this.

We have six key values that underpin all that we do as a Church of England Primary School; Faith, Service, Integrity, Responsibility, Truth and Excellence. We talk about these values all of the time and try to model them in everything that we do. For instance; Service – we talk about how we can help others. We often discuss how something as simple as a smile can brighten someone's whole day. We model our value of Service to our community by delivering Harvest Parcels, Christmas Biscuits and Easter Eggs to the senior citizens who live in our village. Our values are integral to what we do and are at the heart of our culture and ethos.
